

Finale Briefing Document 2012

The Finale number is a great opportunity to come together as 1 cast of 300+ people, have a sing-song and then leave the audience feeling great as they leave the Anvil and hopefully donate more money in the collection buckets. The finale 2012 comprises 4 parts:

1. Cast Enter (or stand) group by group to "Never Forget" by Take That - an uplifting track which we will set at the rehearsal on 23rd September. Junior Schools and Adult choirs will remain in the choir stalls.
2. We sing "Happy Ending" – Mika as '1 cast' which has solo performers singing the verses and all performers singing the choruses. Ignore the falsetto parts.
3. The compere thanks the performers and audience on behalf of the Mayor and makes an appeal for donations for the Mayors Charities.
4. We have a final song – "I Believe in a thing called Love" – Darkness with solo performers covering the verses and all performers join in on the Choruses. Ignore the falsetto parts.

I have attached the lyrics for these 3 songs and the parts all performers sing are marked in black bold text, the solos in normal black text with the deleted parts of the songs in red text struck through. For some groups this will be sufficient information as they will know the songs and we will again rehearse all of this at the cast rehearsal on September 23rd.

We're only people, we're only people
Hey we're not invincible, we're not invincible
So again I tell you

We're not invincible [Schools]
We're not invincible

Never forget where you're coming from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

Never, never forget where
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

~~Never, everybody sing, oh baby~~
~~Never, no never, never forget for love~~
~~Someday, louder, louder, louder, louder loud~~

~~Never, everybody sing that song~~
~~Never, yeah louder, louder, loud now~~
~~Someday, come on, come on, everybody, everybody~~
~~Everybody, everybody, everybody~~

~~Never forget where you're coming from~~
~~Never pretend that it's all real~~
~~Someday soon this will all be someone else's dream~~
~~This will be someone else's dream~~

~~We've come so far and we've reached so high~~
~~And we've looked each day and night in the eye~~
~~And we're still so young and we hope for more~~

"Happy Ending"

**This is the way you left me, I'm not pretending.
No hope, no love, no glory, No Happy Ending.
This is the way that we love, Like it's forever.
Then live the rest of our life, But not together.**

Wake up in the morning, stumble on my life Solo
Can't get no love without sacrifice
If anything should happen, I guess I wish you well
A little bit of heaven, but a little bit of hell

This is the hardest story that I've ever told Oooo
No hope, or love, or glory
Happy endings gone forever more
I feel as if I'm wastin'
And I'm wastin' everyday

**This is the way you left me, I'm not pretending.
No hope, no love, no glory, No Happy Ending.
This is the way that we love, Like it's forever.
Then live the rest of our life, But not together.**

~~2 o'clock in the morning, something's on my mind Solo
Can't get no rest; keep walkin' around
If I pretend that nothin' ever went wrong, I can get to my sleep Solo
I can think that we just carried on~~

~~This is the hardest story that I've ever told Oooo
No hope, or love, or glory
Happy endings gone forever more
I feel as if I'm wastin'
And I'm wastin' everyday~~

~~This is the way you left me, I'm not pretending.
No hope, no love, no glory, No Happy Ending.
This is the way that we love, Like it's forever.
Then live the rest of our life, But not together.~~

**A Little bit of love, little bit of love Solo over the top
Little bit of love, little bit of love *[repeat]***

I feel as if I'm wastin' Solo
And I'm wastin' everyday

**This is the way you left me, I'm not pretending. A Little bit of love,
No hope, no love, no glory, No Happy Ending. Little bit of love,
This is the way that we love, Like it's forever. Little bit of love,
Then live the rest of our life, But not together. Little bit of love,**

~~This is the way you left me, I'm not pretending. A Little bit of love,
No hope, no love, no glory, No Happy Ending. Little bit of love,
This is the way that we love, Like it's forever. Little bit of love,
Then live the rest of our life, But not together. Little bit of love,~~

This is the way you left me, I'm not pretending.
No hope, no love, no glory, No Happy Ending.

My heart's in overdrive and you're behind the steering wheel
Touching you, touching me
touching you, cos you're touching me

Just listen to the rhythm of my heart
There's a chance we could make it now
